NOTES:

Known Sphere Of Operation: Klingon border, Triangle Border

Data Reliability: D

Major Data Source: Romulan Sector Intelligence

The *Righteous Vindicator* served for nearly 10 years along the mutual Klingon/Romulan border before being redeployed to special operations against the IKS in the Triangle. For the next 20 years, the *Vindicator* would attack known IKS vessels and outposts on newly claimed planets to continue the distrust and animosity between the IKS and Klingon Empire. The *Vindicator* would also attack known Federation interests in the same region to increase tensions between the Federation and IKS. In mid-2362 the *Vindicator* engaged a Federation frigate and was badly damaged. Rather than risk being captured, the *Vindicator* was scuttled. The deception was not discovered until after the destruction of Romulus.
