NOTES:

Known Sphere Of Operation: Klingon border, Cardassian Border

Data Reliability: D

Major Data Source: Romulan Sector Intelligence

The *Inspiring Vengeance* was one of the last Klingon vessels to conduct operations against the Empire before the end of open conflict between the Romulans and the Klingons. The *Vengeance* was only involved in two combats before the Star Empire pulled back its operations as rumors of a significant military power near Cardassian space. As with many ships during the early 2370's, the *Vengeance* was transferred to patrol status.

In late 2373, the *Vengeance* was assigned to one of nearly a dozen attack fleets preparing to take advantage of the new interstellar conflict. However, she is reassigned to attack Dominion/Cardassian bases in September of 2374. She conducts her self well during the war but is badly damaged in late 2375 and is scrapped.
